Candidates will be progressed through the various stages of the selection process based on their order of merit at each stage. In the event of many applications the Authority may shortlist based on information provided in the application.

It is therefore in your own interest to provide a detailed and accurate account of how your skills, personal qualities, qualifications, and experience meet the requirements of the post.

Selection methods may include:

- Shortlisting of applicants as outlined above
- Competitive initial/preliminary interview

- Written assessments with work sample test or other exercises
- Presentation to selection panel
- Competitive Final Interview
- Any other test or assessment as deemed appropriate including psychometric assessment.

Candidates will be required to attend for interview or any other tests at their own expense. It is not possible to alter the allocated interview/test date or time.

At the final stage, candidates who meet the required standard for the job are placed in order of merit and considered for appointment (s) in that order.

We aim to accommodate candidates with no unnecessary obstacles placed in their way. We will assist candidates with disabilities, so they are provided with appropriate and reasonable accommodations to ensure that they have the best opportunity to perform to their optimum.

Prior to recommending any candidate for appointment to the position, the Agency will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Should the person recommended for appointment decline, or having accepted it, relinquish it, the Authority, with the assistance of the Agency, may at its discretion select and recommend another candidate for appointment based on the results of this selection process.
