This is a relationship-first fundraising role where you'll develop meaningful connections with major donors, identify new opportunities for engagement, and help supporters see the tangible impact of their generosity.

As a key member of our Partnerships Team, you'll collaborate closely with Philanthropy, Communications, and Recruitment to strengthen donor relationships while advancing the mission of MAF Canada.

What You'll Do

- Develop, cultivate, and steward relationships with existing and prospective donors throughout British Columbia.

- Build comprehensive donor profiles through thoughtful research and analysis.

- Ensure donors receive meaningful appreciation and recognition.
- Maintain accurate donor records and interactions using Salesforce.
- Track fundraising activity and provide reports on donor engagement and revenue growth.
- Collaborate with colleagues across Partnerships, Philanthropy, Communications, and Recruitment.
- Support fundraising events and represent MAF within the community.
- Help identify volunteers and potential missionary candidates through your network.

There are no roads, no Doctors, and no 911.

The help you need is blocked by raging rivers, vast deserts, or insurmountable mountains.

If you or someone you love is sick or injured, and the nearest hospital is a 3-day walk away, you're thankful for MAF; and a 10-minute flight that can mean the difference between life and death.

MAF airplanes help bring the love of God in tangible ways to thousands of cut-off communities around the world.
